

HOW TO HELP

1. Sign the petition yourself, making sure to supply all requested information (assuming you haven't done it already).
2. Have your friends sign (while you witness their signature).
3. Take the petition with you to work, social gatherings, the park, or just on a stroll through your neighborhood and ask the people you meet to sign the petition and help Preserve Oregon's Roads.
4. Storefronts, Post Offices, and Libraries all make great petitioning locations...just make sure you ask permission before you begin.
5. Remember that each person must sign their own name. A wife cannot sign for her husband, and a parent may not sign for their child. Also, remember that you must carry a copy of the full text with you whenever you collect signatures.
6. Once you've finished collecting signatures on a petition sheet, sign the Circulator's Certification at the bottom, making sure to print your name and date the sheet as well (Do this even if you've signed the top of the same petition sheet).
7. Drop off (between the hours of 10:00 am - 4:00 pm, Monday - Friday) or mail the completed petition sheets to:
